

11th May 2017

Dear Parent/Carer

Firstly, thanks to all who attended the parent/carers interviews during this week. My impression is that discussions were generally very positive and that the shared home/school commitment to working together to further improve the school is well established.

Secondly, you may be about to consider buying school clothing items in readiness for next session, families are reminded that, depending on your financial circumstances, clothing grants can be applied for to offer some assistance.

Application forms are available on request from the school office or can be downloaded from the Aberdeenshire Council website by typing 'clothing grants' in to the search box.

I hope you find this helpful.

Yours sincerely

John Black
Head Teacher (Acting)
