Mr Black then went on to deliver a head teachers report which covered

- The Nurture Hub

- Changes to how the council will report attainment levels
- The P7 coffee morning which raised a fantastic £315

The parents council were handed a letter from the nursery thanking everyone for the funds towards the purchase of the quiet area.

Lorna quickly ran through the Treasures report the main points covered were

Lynn and Julie are awaiting a date to go to the prison to view buddy benches and will report back at the next meeting.

Lynn is looking into basing the P7's leaving books on one from Buchenhaven which will cost roughly £10 per head.

The bingo tea was then discussed.

Lynn has got tickets printed and it was agreed that the parent council would take care of the selling of the tickets rather than the office staff. There will be a slip sent home to the parents to purchase tickets. It was agreed that we will be charging £3 per adult and £1 per child.
