Dear Parent/ Carer

Thanks to those who were able to attend the Scots afternoon yesterday. As I said at the event, the performance and conduct of the pupils was of a high standard and we are all very proud of what the children displayed yesterday.

Sadly however, in spite of the request that photos not be taken, it appears that some members of the audience continued to capture images of the children. It is a matter of child protection that photographs **MUST NOT** appear on Social Media.

This matter was discussed at the recent meeting of the School Council and there was a shared recognition of the importance of this being adhered to. It was agreed that controlled, individual photographic opportunities would be given to parents but the taking of images during a performance was inappropriate.

Your cooperation with this request will be much appreciated.

Yours sincerely
